SUB144

YOU KNOW YOU'RE A
FIREFIGHTER

If you've ever said "She's hot tonight" and NOT been talking about a girl.
If "Chasing the Fire" is your favorite TV show, and you're not a firefighter.
If you can't resist TFE (T-shirt for the fire) at all times. It makes sense.
If you have ever said "The dog's in the house" and you're not a dog.
If you can't resist someone by cutting the car doors off at the side and
standing there and waiting until the smoke clears. (Don't do it.)
If you have ever said "I'm a firefighter" and then said "I'm not."
If you have ever been called out on a call and said "What's the problem?"
If you will never make 100% calls.
If you have ever said "I'm a firefighter" and then said "I'm not."
If the fireman goes off and you're not out of the house thinking it was
just a fire.
If you will never be anything but a firefighter because your love for
the job is too great.
If your kids are afraid to get into their rooms with you.
If everyone who says "I'm a firefighter" is just another guy at the office for
you.
